

Annex 3- . List of activities carried out within the 2020 operating grant					
Reference Number:					
Date	Venue	Field/Subject	Members / Partners Participating	N° of participants (direct and indirect)	Results achieved
22/10/2021	Faculty of Education and Psychology of the URV, Tarragona (Web: La idea de Europa a debat)	Dissemination	Europe Direct Tarragona/URV	2/50	Secondary school students learned about the biographies and testimonies of the Rotspaniers, as well as the historical context in which they lived. We were able to raise awareness among the students about the traumatic experiences of the Spanish forced labourers. We discussed the recent past, the European Union, its original values and their evolution to the present day. As part of the Europe for Citizens programme, the students reflected on their responsibility and participation as European citizens, as well as the defence of the Union's values.
28/10/2021	Instituto Cervantes in Berlín (Web: Congreso en Berlín)	Scientific/Academic	Archäologische Gesellschaft Berlin-Brandenburg/URV	23/80	At this congress, researchers and academics presented the studies carried out on the Rotspaniers, creating a space for scientific dialogue and debate that allowed us to compare information and create knowledge networks through involvement in the project. We succeeded in recovering part of the historical memory by encouraging reflection on peace in Europe, its diversity, its current and future threats of totalitarianism and xenophobia.
28/10/2021	Instituto Cervantes in Berlín (Web: Exposición en Berlín)	Dissemination	Archäologische Gesellschaft Berlin-Brandenburg/URV	80	Through the visit to the exhibition, we were able to show visitors the biographies and testimonies of some of the Rotspaniers, as well as the historical context in which they lived. The objectives of the exhibition are to raise awareness about the living conditions to which Spanish forced labourers were subjected in Nazi camps. In addition, with the final panels, we get the visitor to reflect on the evolution of the European Union, its values, Human Rights in our recent past and today, as well as the objectives of the Europe for Citizens

					programme itself.
30/10/2021	NS Documentation Centre for Forced Labour in Berlin-Schoeneweide (Dokumentationszentrum NS-Zwangsarbeit) (Web: Exposición en Berlín)	Dissemination	Archäologische Gesellschaft Berlin-Brandenburg/URV		Through the visit to the exhibition, we were able to show visitors the biographies and testimonies of some of the Rotspaniers, as well as the historical context in which they lived. The objectives of the exhibition are to raise awareness about the living conditions to which Spanish forced labourers were subjected in Nazi camps. In addition, with the final panels, we get the visitor to reflect on the evolution of the European Union, its values, Human Rights in our recent past and today, as well as the objectives of the Europe for Citizens programme itself.
05/12/2021	Fort Montbarey, Brest, France (Web: Una emotiva conferencia de Claudine Allende-Santa Cruz y Jean Pala-Sala, de MERE 29, a estudiantes del Lycée Amiral Ronarc'h en Fort Montbarey)	Dissemination	Asociation Mere 29	2/27	Secondary school students learned about the biographies and testimonies of the Rotspaniers, as well as the historical context in which they lived. We were able to raise awareness among the students about the traumatic experiences of the Spanish forced labourers. We discussed the recent past, the European Union, its original values and their evolution to the present day. As part of the Europe for Citizens programme, the students reflected on their responsibility and participation as European citizens, as well as the defence of the Union's values.
10/01/2022	Gijón, Asturias (Web: Digitalización del archivo familiar de Olvido Fanjúl)	Documentation	URV	1	The digitisation of documents and photographs from personal archives has been used to illustrate the biographies of the forced labourers, both in the exhibitions and on the website. In addition, the digitised documents form part of the archive of images that we have been compiling over the course of the project.
10/02/2022	Auditorium Pau Casals de El Vendrell, Tarragona (Web: Conferencia en el Aula de la Gent Gran de la URV en El Vendrell)	Dissemination	URV	2/25	As part of the dissemination of our project, talks were given to senior citizens. These talks allowed the attendees to reflect on the values and the concept of citizenship in the European Union, on our recent past, as well as the present and the future of the Union. They were also able to remember their ancestors, who probably also suffered from authoritarianism in Spain.

Europe for Citizens Programme: Operating Grants – Strand 1 and 2

10/02/2022	Faculty of Legal Sciences of the URV, Tarragona (Web: La idea de Europa)	Dissemination	Europe Direct Tarragona/URV	5/90	Secondary school students learned about the biographies and testimonies of the Rotspaniers, as well as the historical context in which they lived. We were able to raise awareness among the students about the traumatic experiences of the Spanish forced labourers. We discussed the recent past, the European Union, its original values and their evolution to the present day. As part of the Europe for Citizens programme, the students reflected on their responsibility and participation as European citizens, as well as the defence of the Union's values.
15/02/2022	The URV's Senior Citizen's Classroom Aula de la Gent Gran de la URV de Vila-seca, Tarragona (Web: Conferencia en el Aula de la Gent Gran de la URV en Vilaseca)	Dissemination	URV	2/30	As part of the dissemination of our project, talks were given to senior citizens. These talks allowed the attendees to reflect on the values and the concept of citizenship in the European Union, on our recent past, as well as the present and the future of the Union. They were also able to remember their ancestors, who probably also suffered from authoritarianism in Spain.
21/02/2022	Amposta, Tarragona (Web: Digitalización del archivo familiar de Maigi)	Documentation	URV	1	The digitisation of documents and photographs from personal archives has been used to illustrate the biographies of the forced labourers, both in the exhibitions and on the website. In addition, the digitised documents form part of the archive of images that we have been compiling over the course of the project.
24/02/2022	Secondary School Jovellanos de Gijón (Web: Gerardo y Olvido, su vida a través de los recuerdos de sus hijos)	Dissemination	Grupo Eleuterio Quintanilla	4/20	Secondary school students learned about the biographies and testimonies of the Rotspaniers, as well as the historical context in which they lived. We were able to raise awareness among the students about the traumatic experiences of the Spanish forced labourers. We discussed the recent past, the European Union, its original values and their evolution to the present day. As part of the Europe for Citizens programme, the students reflected on their responsibility and participation as European citizens, as well as the defence of the Union's values.
25/02/2022	Campus Catalunya, URV. Tarragona	Documentation	URV	1	The digitisation of documents and photographs

Europe for Citizens Programme: Operating Grants – Strand 1 and 2

	(Web: Digitalización del archivo familiar de Ángel Veiga)				from personal archives has been used to illustrate the biographies of the forced labourers, both in the exhibitions and on the website. In addition, the digitised documents form part of the archive of images that we have been compiling over the course of the project.
28/02/2022	Cultural Centre "Ca Cosme" in Alcover, Tarragona (Web: Conferencia en el Aula de la Gent Gran de la URV)	Dissemination	URV	2/25	As part of the dissemination of our project, talks were held for the general public. These talks allowed the attendees to reflect on the values and the concept of citizenship in the European Union, on our recent past, as well as the present and the future of the European Union. They were also able to remember their ancestors, who probably also suffered authoritarianism in Spain.
13/03/2022	Nazi fortifications in Bordeaux, France (Web: Grabaciones de fortificaciones en Burdeos)	Documentation	URV	4	The recordings of Nazi fortifications have been used in the documentary on the Rotsparier which has been directed by Rafael Guerrero and co-produced by CECOS-URV. The recorded images form part of the multimedia archive that we have been generating throughout the project.
14/03/2022	Nazi fortifications in Lorient, France (Web: Grabaciones en Lorient)	Documentation	URV	4	The recordings of Nazi fortifications have been used in the documentary on the Rotsparier which has been directed by Rafael Guerrero and co-produced by CECOS-URV. The recorded images form part of the multimedia archive that we have been generating throughout the project.
14/03/2022	Nazi fortifications in Brest, France (Web: Grabaciones fortificaciones nazis en Brest)	Documentation	URV	4	The recordings of Nazi fortifications have been used in the documentary on the Rotsparier which has been directed by Rafael Guerrero and co-produced by CECOS-URV. The recorded images form part of the multimedia archive that we have been generating throughout the project.
16/03/2022	Nazi fortifications in La Rochelle, France (Web: Grabaciones fortificaciones nazis en La Rochelle)	Documentation	URV	4	The recordings of Nazi fortifications have been used in the documentary on the Rotsparier which has been directed by Rafael Guerrero and co-produced by CECOS-URV. The recorded images form part of the multimedia archive that we have been generating throughout the project.
17/03/2022	Faculty of Letters and Human Sciences, Université de Bretagne Occidentale	Scientific/Academic	Asociation Mere 29/Université de	22/25	At this congress, researchers and academics presented the studies carried out on the

Europe for Citizens Programme: Operating Grants – Strand 1 and 2

	(Web: Exposición en Brest)		Bretagne Occidentale		Rotspaniers, creating a space for scientific dialogue and debate that allowed us to compare information and create knowledge networks through involvement in the project. We succeeded in recovering part of the historical memory by encouraging reflection on peace in Europe, its diversity, its current and future threats of totalitarianism and xenophobia. The congress gave a voice to memory associations and to the descendants of forced labourers, who are the real transmitters of oral memory. There was also time to pay tribute to the Rotspanier victims of Nazism.
17/03/2022	Faculty of Letters and Human Sciences, Université de Bretagne Occidentale (Web: Exposición en la Université de Bretagne Occidentale Brest)	Dissemination	Asociation Mere 29/Université de Bretagne Occidentale	22/30	Through the visit to the exhibition, we were able to show visitors the biographies and testimonies of some of the Rotspaniers, as well as the historical context in which they lived. The objectives of the exhibition are to raise awareness about the living conditions to which Spanish forced labourers were subjected in Nazi camps. In addition, with the final panels, we get the visitor to reflect on the evolution of the European Union, its values, Human Rights in our recent past and today, as well as the objectives of the Europe for Citizens programme itself.
24/03/2022	Tarragona School of Art and Design (Web: La Escola d'Art de Tarragona dibuja a los Rotspanier)	Dissemination	URV	4/13	As part of the dissemination of the project and the need to attract young people, we involved a group of students from the Tarragona School of Art so that, expressing their creativity, they could produce drawings about the Rotspaniers based on talks given to them by part of the URV group. The works of these art students were incorporated into our exhibition in Tarragona as a testimony of their work.
25/3/2022	Nazi fortifications in Begó, France (Web: Grabaciones en el Muro Atlántico du Bégo)	Documentation	URV	4	The recordings of Nazi fortifications have been used in the documentary on the Rotspanier which has been directed by Rafael Guerrero and co-produced by CECOS-URV. The recorded images form part of the multimedia archive that we have been generating throughout the project.
29/03/2022	Faculty of Medicine of the URV, Reus	Dissemination	URV	2/32	As part of the dissemination of our project, talks

Europe for Citizens Programme: Operating Grants – Strand 1 and 2

	(Web: Conferencia en el Aula de la Gent Gran de la URV)				were given to senior citizens. These talks allowed the attendees to reflect on the values and the concept of citizenship in the European Union, on our recent past, as well as the present and the future of the Union. They were also able to remember their ancestors, who probably also suffered from authoritarianism in Spain.
01/04/2022	Tarragona History Museum (Torre de Pilatos) (Web: Entrevista sobre la expo Rotspanier en el Museo de Historia de Tarragona (Torre de Pilatos))	Dissemination	URV	2/3	As part of the dissemination, we had the opportunity to be interviewed by different media, newspapers, radio and television. In this way we have been able to reach a large part of society who have not visited our exhibitions or who have not attended the talks and congresses.
29/04/2022	Tarragona History Museum (Torre de Pilatos) (Web: Expo Rotsnaier en el Museo de Historia de Tarragona)	Dissemination	URV		Through the visit to the exhibition, we were able to show visitors the biographies and testimonies of some of the Rotspaniers, as well as the historical context in which they lived. The objectives of the exhibition are to raise awareness about the living conditions to which Spanish forced labourers were subjected in Nazi camps. In addition, with the final panels, we get the visitor to reflect on the evolution of the European Union, its values, Human Rights in our recent past and today, as well as the objectives of the Europe for Citizens programme itself.
05/05/2022	Teatro Tarragona, Tarragona (Web: Participación en las jornadas "Deportats Tarragonins")	Dissemination	URV		Secondary school students learned about the biographies and testimonies of the Rotspaniers, as well as the historical context in which they lived. We were able to raise awareness among the students about the traumatic experiences of the Spanish forced labourers. We discussed the recent past, the European Union, its original values and their evolution to the present day. As part of the Europe for Citizens programme, the students reflected on their responsibility and participation as European citizens, as well as the defence of the Union's values.
20/05/2022	Campus Catalunya, URV. Tarragona (Web: Exposición Rotspanier en la URV, Tarragona)	Dissemination	URV		Through the visit to the exhibition, we were able to show visitors the biographies and testimonies of some of the Rotspaniers, as well as the historical

Europe for Citizens Programme: Operating Grants – Strand 1 and 2

					context in which they lived. The objectives of the exhibition are to raise awareness about the living conditions to which Spanish forced labourers were subjected in Nazi camps. In addition, with the final panels, we get the visitor to reflect on the evolution of the European Union, its values, Human Rights in our recent past and today, as well as the objectives of the Europe for Citizens programme itself.
08/06/2022	Escuela de Comercio, Gijón, Asturias (Web: Exposición Rotspanier-Asturias Escuela de Comercio)	Dissemination	Grupo Eleuterio Quintanilla	3/35	Through the visit to the exhibition, we were able to show visitors the biographies and testimonies of some of the Rotspaniers, as well as the historical context in which they lived. The objectives of the exhibition are to raise awareness about the living conditions to which Spanish forced labourers were subjected in Nazi camps. In addition, with the final panels, we get the visitor to reflect on the evolution of the European Union, its values, Human Rights in our recent past and today, as well as the objectives of the Europe for Citizens programme itself.
08/06/2022	Teacher and Resource Centre (CPR) de Gijón, Asturias (Web: Presentación de la Unidad Didáctica Rotspanier)	Dissemination	Grupo Eleuterio Quintanilla	4/26	With the use of the Rotspanier Teaching Unit developed by our partners of the Eleuterio Quintanilla Group, History teachers from Secondary Schools were introduced to this important pedagogical tool to work in class on the topic of Spanish forced labourers and democratic memory. The group of teachers who worked with this didactic tool were able to reflect and contribute ideas on how to use it in class.
09/06/2022	Escuela de Comercio, Gijón, Asturias (Web: Asturias 1937: la mar como única salida)	Scientific/Academic/ Dissemination	Grupo Eleuterio Quintanilla		At this congress, researchers and academics presented the studies carried out on the Rotspaniers, creating a space for scientific dialogue and debate that allowed us to compare information and create knowledge networks through involvement in the project. We succeeded in recovering part of the historical memory by encouraging reflection on peace in Europe, its diversity, its current and future threats of

					totalitarianism and xenophobia. The congress gave a voice to memory associations and to the descendants of forced labourers, who are the real transmitters of oral memory. There was also time to pay tribute to the Rotsparier victims of Nazism.
09/06/2022	Secondary School Fernández Vallín, Gijón, Asturias (Web: Charla IES Fernández Vallín)	Dissemination	Grupo Eleuterio Quintanilla	3/45	Secondary school students learned about the biographies and testimonies of the Rotspariers, as well as the historical context in which they lived. We were able to raise awareness among the students about the traumatic experiences of the Spanish forced labourers. We discussed the recent past, the European Union, its original values and their evolution to the present day. As part of the Europe for Citizens programme, the students reflected on their responsibility and participation as European citizens, as well as the defence of the Union's values.
09/06/2022	Secondary School Jovellanos, Gijón, Asturias (Web: Charla IES Jovellanos)	Dissemination	Grupo Eleuterio Quintanilla	3/25	Secondary school students learned about the biographies and testimonies of the Rotspariers, as well as the historical context in which they lived. We were able to raise awareness among the students about the traumatic experiences of the Spanish forced labourers. We discussed the recent past, the European Union, its original values and their evolution to the present day. As part of the Europe for Citizens programme, the students reflected on their responsibility and participation as European citizens, as well as the defence of the Union's values.
09/06/2022	Secondary School Monteviel, Gijón, Asturias (Web: Las exiliadas españolas en los campos de concentración)	Dissemination	Grupo Eleuterio Quintanilla	4/105	Secondary school students learned about the biographies and testimonies of the Rotspariers, as well as the historical context in which they lived. We were able to raise awareness among the students about the traumatic experiences of the Spanish forced labourers. We discussed the recent past, the European Union, its original values and their evolution to the present day. As part of the Europe for Citizens programme, the students reflected on their responsibility and participation as European citizens, as well as the defence of the

					Union's values.
10/06/2022	Secondary School Padre Feijoo, Gijón, Asturias (Web: Charla "Los Rotsphanier, trabajadores forzados españoles en los campos de concentración nazis")	Dissemination	Grupo Eleuterio Quintanilla	3/44	Secondary school students learned about the biographies and testimonies of the Rotsphaniers, as well as the historical context in which they lived. We were able to raise awareness among the students about the traumatic experiences of the Spanish forced labourers. We discussed the recent past, the European Union, its original values and their evolution to the present day. As part of the Europe for Citizens programme, the students reflected on their responsibility and participation as European citizens, as well as the defence of the Union's values.
10/06/2022	Radiokras Gijón, Asturias (Web: Entrevista en Radiokras de Gijón a Claudine Allende, Rosa Calvo y Jaume Camps)	Dissemination	Grupo Eleuterio Quintanilla/Mere29/URV	4	As part of the dissemination, we had the opportunity to be interviewed by different media, newspapers, radio and television. In this way we have been able to reach a large part of society who have not visited our exhibitions or who have not attended the talks and congresses.
10/06/2022	Barrio de La Calzada, Gijón, Asturias (Web: Recorrido por los Stolpersteine del Barrio de la Calzada, Gijón)	Dissemination	Grupo Eleuterio Quintanilla	34	Members of the project, relatives of the Rotsphaniers and high school students held a tribute to remember these victims of Nazism. It is a way of keeping them in mind, as one of our aims is to keep the memory of forced labourers alive and to pass it on from generation to generation.
11/06/2022	Ribadesella Cultural Centre, Asturias (Web: Asturias 1937: la mar como única salida Ribadesella)	Dissemination	Grupo Eleuterio Quintanilla/Mere29		At this congress, researchers and academics presented the studies carried out on the Rotsphaniers, creating a space for scientific dialogue and debate that allowed us to compare information and create knowledge networks through involvement in the project. We succeeded in recovering part of the historical memory by encouraging reflection on peace in Europe, its diversity, its current and future threats of totalitarianism and xenophobia. The congress gave a voice to memory associations and to the descendants of forced labourers, who are the real transmitters of oral memory. There was also time to pay tribute to the Rotsphanier victims of Nazism.
11/06/2022	Ribadesella Cultural Centre, Asturias	Dissemination	Grupo Eleuterio		Through the visit to the exhibition, we were able to

	(Web: Exposición: Lecciones para el presente: ROTSPANIER. Trabajadores forzados españoles en la II Guerra Mundial)		Quintanilla		show visitors the biographies and testimonies of some of the Rotspaniers, as well as the historical context in which they lived. The objectives of the exhibition are to raise awareness about the living conditions to which Spanish forced labourers were subjected in Nazi camps. In addition, with the final panels, we get the visitor to reflect on the evolution of the European Union, its values, Human Rights in our recent past and today, as well as the objectives of the Europe for Citizens programme itself.
11/06/2022	Ceares Cemetery, Gijón, Asturias (Web: Visita guiada sobre la represión en Gijón)	Dissemination	Grupo Eleuterio Quintanilla	1/26	Members of the project, relatives of the Rotspaniers held a tribute to remember these victims of Nazism. It is a way of keeping them in mind, as one of our aims is to keep the memory of forced labourers alive and to pass it on from generation to generation.
12/06/2022	Calig, Castellón, Valencia (Web: Entrevista a Ángel Veiga)	Documentation	URV	2/2	The interviews with the children of the forced labourers have been of great help in compiling the biographies of the Rotspaniers, as without the information provided by the descendants, it would have been impossible to learn about the life experiences of these victims of Nazism. The recordings of the interviews form part of the project's multimedia archive. The content of this archive will be made available to anyone upon request.
12/06/2022	Café Macondo, Gijón, Asturias (Web: Proyección fotográfica: Tras el rastro de los Rotspanier. Fran Iñiguez Causo. Café Macondo, Gijón)	Dissemination	Grupo Eleuterio Quintanilla	2/30	As part of the dissemination of our project, talks were held for the general public. These talks allowed the attendees to reflect on the values and the concept of citizenship in the European Union, on our recent past, as well as the present and the future of the European Union. They were also able to remember their ancestors, who probably also suffered authoritarianism in Spain.
13/06/2022	Museum of the Urban History of Avilés, Avilés, Asturias (Web: Asturias 1937: la mar como única salida Avilés)	Dissemination	Grupo Eleuterio Quintanilla		As part of the dissemination of our project, talks were held for the general public. These talks allowed the attendees to reflect on the values and the concept of citizenship in the European Union, on our recent past, as well as the present and the

					future of the European Union. They were also able to remember their ancestors, who probably also suffered authoritarianism in Spain.
13/06/2022	Secondary School La Fresneda, Oviedo, Asturias (Web: Entrevista realizada por alumnos del IES La Fresneda a Claudine Allende y a Rocío Arnal Lorenzo)	Dissemination	Grupo Eleuterio Quintanilla/Mere29/URV	3/25	As part of the dissemination, we had the opportunity to be interviewed by different media, newspapers, radio and television. In this way we have been able to reach a large part of society who have not visited our exhibitions or who have not attended the talks and congresses.
13/06/2022	Secondary School Alfonso II, Oviedo, Asturias (Web: Los Rotspanier, trabajadores forzados españoles en los campos de concentración nazis)	Dissemination	Grupo Eleuterio Quintanilla/Mere29/URV	6/60	Secondary school students learned about the biographies and testimonies of the Rotspaniers, as well as the historical context in which they lived. We were able to raise awareness among the students about the traumatic experiences of the Spanish forced labourers. We discussed the recent past, the European Union, its original values and their evolution to the present day. As part of the Europe for Citizens programme, the students reflected on their responsibility and participation as European citizens, as well as the defence of the Union's values.
12/07/2022	Saint Malo, France (Web: Entrevista a Gabrielle García)	Documentation	URV	4	The interviews with the sons and daughters of the forced labourers have been of great help in compiling the biographies of the Rotspaniers, as without the information provided by the descendants, it would have been impossible to learn about the life experiences of these victims of Nazism. The recordings of the interviews form part of the project's multimedia archive. The content of this archive will be made available to anyone upon request.
17/07/2022	Jersey, United Kingdom (Web: Entrevista a Gary y Linda Font)	Documentation	URV	5	The interviews with the sons of the forced labourers have been of great help in compiling the biographies of the Rotspaniers, as without the information provided by the descendants, it would have been impossible to learn about the life experiences of these victims of Nazism. The recordings of the interviews form part of the project's multimedia archive. The content of this archive will be made available to anyone upon

					request.
19/07/2022	Nazi fortifications in Jersey, United Kingdom (Web: Grabaciones en las fortificaciones nazis en Jersey)	Documentation	URV	3	The recordings of Nazi fortifications have been used in the documentary on the Rotspanier which has been directed by Rafael Guerrero and co-produced by CECOS-URV. The recorded images form part of the multimedia archive that we have been generating throughout the project. In this case the recordings in: - War tunnel - The bunkers in the northern part of the island. - Defensive systems in the northern part of the island. - Battery Moltke. - Mont a l'Abbe cemetery and The Westmount Memorial.
19/07/2022	Nazi fortifications at St Brelade's Bay, United Kingdom (Web: Grabaciones en War tunnel. Los bunkers de la zona norte de la isla - Sistemas defensivos de la zona norte de la isla - Battery Moltke - Mont a l'Abbe cemetery - The Westmount Memorial)	Documentation	URV	3	The recordings of Nazi fortifications have been used in the documentary on the Rotspanier which has been directed by Rafael Guerrero and co-produced by CECOS-URV. The recorded images form part of the multimedia archive that we have been generating throughout the project. In this case, they were shot with a drone and a camera.
20/07/2022	Nazi fortifications at Guenersey: •Observation Tower MP3 •Observation Tower MP4 L'Angle •German underground Hospital (Web: Grabaciones de las torres de observación en Guernesey)	Documentation	URV	3	The recordings of Nazi fortifications have been used in the documentary on the Rotspanier which has been directed by Rafael Guerrero and co-produced by CECOS-URV. The recorded images form part of the multimedia archive that we have been generating throughout the project. In this case, they were shot with a drone and a camera.
21/09/2022	Centro Cívico Sindicalistas 'Soto, Acosta y Saborido', Sevilla (Web: Estreno del documental Rotspanier. Los esclavos españoles del nazismo de Rafael Guerrero)	Dissemination	URV	3/204	The documentary co-produced by the URV as part of the project forms part of our dissemination work, to which we are committed because we are aware of the importance of the Rotspanier's life stories reaching a large part of civil society. Rafael Guerrero, director of the documentary, has given talks before and after its broadcast. It has been shown in different cities in Spain and Europe.
21/09/2022	"Despierta Andalucía", Canal Sur TV, Sevilla (Web: Entrevista Rafael Guerrero por el estreno del documental "Rotspanier")	Dissemination	URV	4	As part of the dissemination, we had the opportunity to be interviewed by different media, newspapers, radio and television. In this way we

Europe for Citizens Programme: Operating Grants – Strand 1 and 2

					have been able to reach a large part of society who have not visited our exhibitions or who have not attended the talks and congresses.
03/10/2022	Secondary School Fonts de la Glorieta, Alcover, Tarragona (Web: Entrevista de alumnos del IES Alcover, a Ángel Veiga Martín)	Dissemination	URV	1/13	Interviews with the children of forced labourers have been of great help in the biographies of the Rotspaniers, as without the information provided by the descendants it would have been impossible to learn about the life experiences of these victims of Nazism. In this case, we had a greater impact because it was the pupils of a secondary school who interviewed a person who was born in the Angoulême concentration camp. The pupils were able to get a direct insight into the experience of a victim of Nazism. The recordings of the interviews are part of the multimedia archive of the project. The content of this archive will be made available to anyone on request.
05/10/2022	Spanish Senate, Madrid (Web: Visita al Senado para presenciar el debate y aprobación de la Ley de Memoria Democrática)	Dissemination	URV	4	The URV team was invited to the Senate in Madrid to witness the debate and subsequent vote on the Law of Democratic Memory. The invitation means that the project is being recognised not only by society, but also by associations and political parties committed to historical memory and the recognition of the victims of totalitarianism. Santiago Castella, a Spanish senator, professor at the URV and member of CECOS, presented the law.
14/10/2022	Social centre, Benifallet, Tarragona (Web: Expo Rotspanier Benifallet)	Dissemination	URV	1/26	Through the visit to the exhibition, we were able to show visitors the biographies and testimonies of some of the Rotspaniers, as well as the historical context in which they lived. The objectives of the exhibition are to raise awareness about the living conditions to which Spanish forced labourers were subjected in Nazi camps. In addition, with the final panels, we get the visitor to reflect on the evolution of the European Union, its values, Human Rights in our recent past and today, as well as the objectives of the Europe for Citizens programme itself.
14/10/2022	Social centre, Benifallet, Tarragona	Dissemination	URV	6/	As part of the dissemination of our project, talks

	(Web: I Jornades de Memòria Democràtica Benifallet)	/Academic			were held for the general public. These talks allowed the attendees to reflect on the values and the concept of citizenship in the European Union, on our recent past, as well as the present and the future of the European Union. They were also able to remember their ancestors, who probably also suffered authoritarianism in Spain.
19/10/2022	Tarragona School of Art and Design (Web: Los estudiantes de la Escola d'Art i Disseny de Tarragona dibujan a los Rotspanier)	Dissemination	URV	2/60	The drawings made by the students of the School of Art and Design were presented in a theatre and in front of several secondary schools in the city of Tarragona. These drawings were produced after lectures by the URV team on the Rotspanier. The students produced these works based on a process of reflection and artistic creativity. The aim was to bring young people closer to the life of forced labourers through artistic creations made by people of their own age.
20/10/2022	Bordeaux, France (Web: Participación en el documental de grandes estructuras nazis)	Dissemination	URV		The documentary co-produced by the URV as part of the project forms part of our dissemination work, to which we are committed because we are aware of the importance of the Rotspanier's life stories reaching a large part of civil society. Rafael Guerrero, director of the documentary, has given talks before and after its broadcast. It has been shown in different cities in Spain and Europe.
22/10/2022	La Salle School, Tarragona (Web: La idea de Europa a debat)	Dissemination	Europe Direct/URV	2/35	Secondary school students learned about the biographies and testimonies of the Rotspaniers, as well as the historical context in which they lived. We were able to raise awareness among the students about the traumatic experiences of the Spanish forced labourers. We discussed the recent past, the European Union, its original values and their evolution to the present day. As part of the Europe for Citizens programme, the students reflected on their responsibility and participation as European citizens, as well as the defence of the Union's values.
